

Do you wanna improve your English?

Do you wanna study abroad ?

Then participating in the Cambridge course is the perfect opportunity for you!

The Cambridge English Advanced certificate is an exam by the Cambridge University in England. If you apply for a University in a foreign country it is absolutely necessary to have taken an exam like this because it proves that your English is on a high level.

Not only does the CAE help you with your future career but it also improves your English of course. Thanks to the training your grammar, text writing, understanding and communication skills will develop immensely. Speaking freely and a feeling for the right words will come easily and you are definitely going to be more successful in your regular English lessons, especially in your tests!

The exam consists of the following parts: reading, writing, listening and speaking so it is also a good preparation for your A-levels (Abitur).

Additionally, the training for CAE was always a lot of fun and during the lessons there was no pressure or grades for what we did so it was a relaxed atmosphere to learn in.

We can highly recommend to take the Cambridge exam since it has only positive sides! You will see the results very soon!

So what are you waiting for? Sign in and bring your English to perfection!
